Principal's Message

The Mother earth deserves our protection. Without her we wouldn't be able to thrive as human beings. We as human beings must do our part to help and protect the environment in order to create a sustainable world. Over the years the impact of human beings on the environment has been negative which has affected in the climate change, water supply, energy crisis etc. These environmental issues affect every facet of our lives. The need of the hour is to educate all students on the environmental impact on the world and help them think about how they can work together to improve it.

The biggest problem we face these days is the use of plastic. Plastic is cheaper and easy to use but it is unhealthy for our planet as it lasts for hundreds of years. It damages the natural habitats and kills animals that mistake it for food. The more we use plastic the greater damage would be created to the environment. We at St Aloysius PU College have taken a pledge to make a plastic free environment. Several awareness programmes on conserving our environment have been organized in the month of June.

This year is the 450th birth anniversary of St Aloysius of Gonzaga, our Patron. We remember him for the noble deeds. He is an inspiration to the youth of our society. In SAPUC, we make it a point to instill in students the essential humane values, most importantly the virtue of reaching out to the less privileged through the outreach programmes.

This academic year is in full swing with 62 batches of Science, Commerce and Arts comprising of students coming from both urban and rural areas. The College aspires to see its students not only rise to greater heights but also stretch out their helping hands towards the needy. I look forward to another successful academic year that would be more clean, green and serene.

Rev. Fr Melwin Mendonca SJ

1 Staff Enrichment Programme Teaching staff

Every year is a new beginning to connect and reconnect the student- teacher relationship; The staff enrichment programme was conducted for the teaching staff. Various sessions were conducted by distinguished resource persons - Rev. Fr Norbert Menezes, Dr C K Manjunath, Mrs Susanna D'silva, Mrs Rosa Mathews, Mrs Verina Joshna, Mr Winston Lobo, and Mr Aron D'souza to enhance the skills and knowledge of the teachers.
